

CENTRE FOR HOLISTIC DEVELOPMENT

INTRODUCTION

Centre for Holistic Development (CHD) is an initiative driven by a group of like-minded intellectual professionals dedicated to fostering sustainable development within communities. Established in 2021, CHD is a National Humanitarian and Development organization devoted to propelling holistic advancement by empowering individuals and fostering self-sufficiency through diverse programs.

VISION

We envision a society where holistic well-being is not just a goal, but a way that embraces every aspect of life and encourages individuals to thrive in perfect harmony with themselves, their communities, and the environment.

MISSION

Our mission is to facilitate holistic development that nurtures individuals, with a special focus on Women, Children & Transgender, fostering self-sufficiency, empowerment, and enduring sustainable positive change.

VALUES:

Compassion, Empowerment, Collaboration
Integrity, Transparency, Accountability
Resilience

Be a Part of Transformational Movement

Thematic Areas

Women

Empowerment

Inspiring women to acknowledge their self-worth, exercise autonomy in decision-making, and advocate for their rights to drive social change for themselves and others.

Leadership & Youth

Development

Encourage youth as the next generation of leaders and provide them with opportunities for skill development, capacity building, and participation in internship programs.

Child Protection

Child protection aims to create a safe, supportive, and empowering environment for every child, ensuring their rights are respected and their development is nurtured.

Climate Action

Initiate community actions for fostering active lifestyles, promoting cleaner air, and enhancing water and soil quality in support of climate action.

Disaster Risk Reduction

To diminish and alleviate both present and potential disaster risks through effective management, thereby contributing to the fulfillment of sustainable development objectives.
